VSG ANNOUNCES LOCAL WINNERS OF THE DOVER FOUNDATION SONS AND DAUGHTERS SCHOLARSHIP PROGRAM

Madison, IN, May 29, 2013 – Vehicle Service Group announced today that the children of two of its employees have been selected as a local winner(s) of the newly established Dover Sons & Daughters Scholarship Program.

Molly McGarry, a 2013 graduate of Madison Consolidated High School, will be attending Purdue University to pursue Pharmacy. Molly is the daughter of Chris and Ruthi McGarry. Chris is the Global Logistics Manager for Dover Corporation.

Jenna Spiller, a 2013 graduate of the Indiana Academy for Science, Mathematics and Humanities, will be attending the University of Southern Indiana this fall, and has been accepted into the nursing program. Jenna is the daughter of Douglas and Joanne Spiller. Doug is Heavy Duty Product Manager for Vehicle Service Group, a Dover company.

Each student will receive a \$2,500 scholarship for the 2012 – 13 academic year and up to \$10,000 in undergraduate scholarship support contingent upon maintaining academic and program eligibility.

“We are delighted to recognize Molly and Jenna as 2 of the 42 global recipients of this prestigious scholarship,” said Gary Kennon, VSG President. “Recipients of this award were selected from students who applied worldwide across all of Dover’s Operating Companies. Being selected for this scholarship is a true honor and we commend our local recipients on their impressive achievement.”

The Dover Sons & Daughters Scholarship recognizes outstanding high school seniors and current college students who are the children of Dover employees and who have demonstrated excellence through their academic records, test

scores, leadership abilities, extracurricular activities and work record. Scholarship selections were made by a four-member, independent committee comprised of academic professionals from prominent universities.

About Dover:

Dover Corporation is a multi-billion dollar diversified global manufacturer. For over 50 years, Dover has been providing its customers with outstanding products and services that reflect the company's commitment to operational excellence, innovation and market leadership. The company focuses on innovative equipment and components, specialty systems and support services through its four major operating segments: Communication Technologies, Energy, Engineered Systems, and Printing & Identification. Dover is headquartered in Downers Grove, Illinois and employs nearly 34,000 people worldwide. Dover Corporation is traded on the New York Stock Exchange under "DOV." Additional information is available at the company's website at www.dovercorporation.com.

About Vehicle Service Group:

Vehicle Service Group (VSG) brings together eight top brands of vehicle service and repair equipment, including Rotary Lift and Chief™ Automotive Technologies. With its global headquarters in Madison, Ind., VSG has regional business operation centers and ISO 9001-certified manufacturing facilities in North America, Europe and Asia. It is part of the Engineered Systems segment of Dover Corporation (NYSE: DOV), a multi-billion dollar, global producer of innovative equipment, specialty systems and value-added services. Additional information is available on the company's website at www.VSGDover.com.

About The Dover Foundation:

The Dover Foundation was established in 2011 and is committed to community involvement, charitable activity, and supporting causes and programs that promote education and enhance the lives of Dover Company employees and their families. One such program is the Dover Sons & Daughters Scholarship Program. The Foundation is tax exempt under Section 501(c)3 of the Internal Revenue Code.
